Are you ready for ICD-10?

Ready10™   Presented By   **PBM**

With Ready10™ we can help you Get Ready and Be Ready for ICD-10

HEALTHCARE'S ONLY COMPLETE ICD-10 SOLUTION

We've always made a point to seek out partners that are committed to our high standards and share our values. As a trusted partner, you are as well aware as we are that a successful ICD-10 transition is critical to the financial viability of your clients' practices.

Large or small, physician practices have unique ICD-10 needs. **Ready10™** was created to address those needs, and remains healthcare's premier physician practice-focused ICD-10 solution. To make it even easier to reach your physicians, we have developed Ready10™ so that you can take the lead in preparing physician practices for the imminent transition.

As you already know, **Ready10™** is the easiest, most efficient way for physician practices to prepare for ICD-10. It's the only single-source solution that delivers **everything they need to know** and **everything they need to do** to successfully manage their transition to ICD-10 – and ensure that their reimbursements continue.

Ready10™ Delivers

Ready10™ simplifies the complicated aspects of ICD-10 and delivers step-by-step guidance through every phase of transition. In fact, after the initial setup, spending **as little as 15 minutes per day** with this simple-to-use, yet incredibly powerful solution can help your practice manage their transition to ICD-10 with ease.
